“Help Us Build Our 1st Ever Veterans Post”

From: VFW Post 8343 Membership

To: Patriots

We are seeking benefactors, supporters, business and civic organizations to donate funding.

The Soldiers – Sailors – Airman - Marines of Post 8343 have served their country proudly dating back to WWII & still serving in our current conflicts.

The Schiller Kulchar Fohr VFW Post building will give them a new home. Those who have served and defended our country will find this a most useful gathering space & a place where Veterans can help one another.

Cash and in-kind donations will facilitate the building of our new Post.
